Area	Action Required
PJM.com secure areas requiring access approval, as well as potentially CEII authorization	Use the renew option to keep access

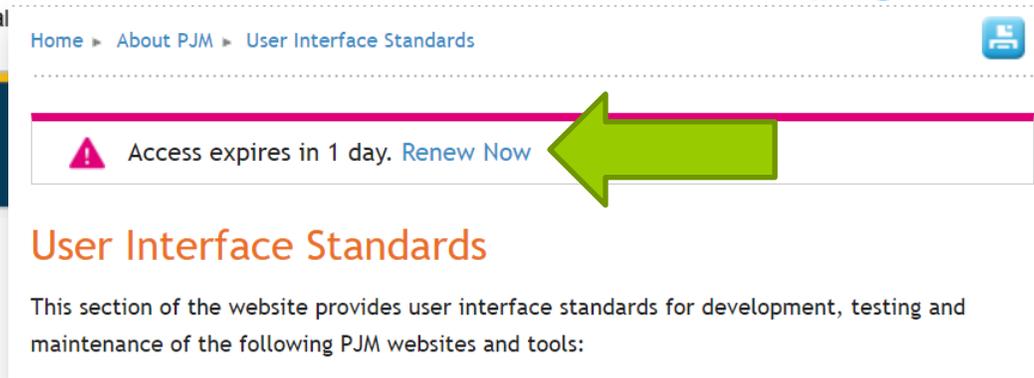

Renewing Secure Area Access

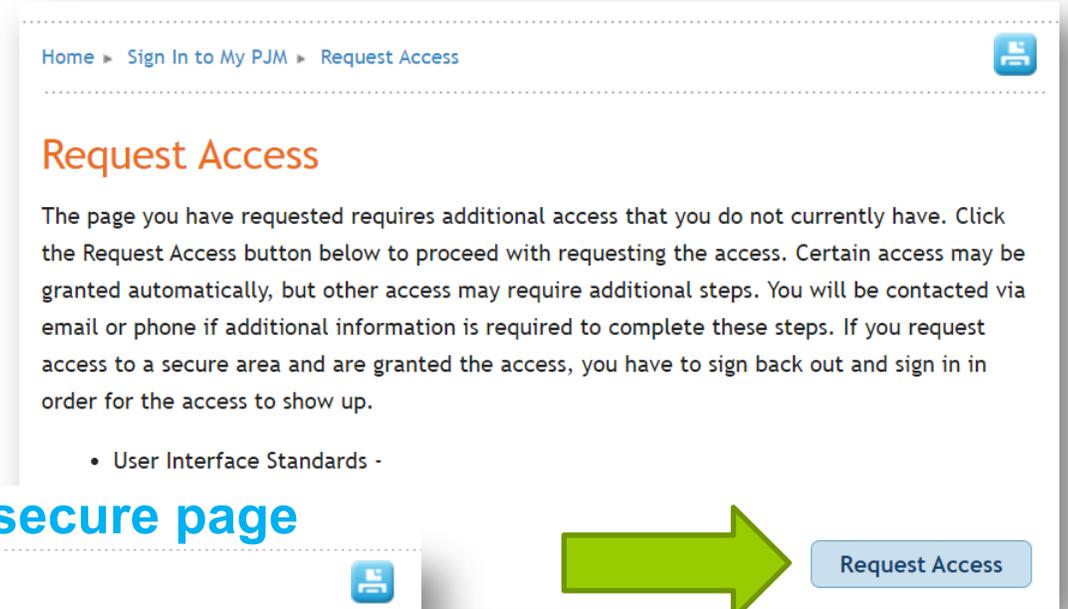

1. Email reminder sent before expiration

2. Click *Renew Now* on secure page

3. Click *Request Access* button

- On July 10, 2023, PJM transitioned to a new interconnection process (conditionally accepted by FERC).
- As a result of this transition, PJM made multiple changes in the Planning section, including:
 - replaced terms and updated directories
 - created new and retired existing pages
- PJM will continue to make necessary changes to PJM.com to align with the PJM Tariff.

- Members have reported website slowness.
- We have reached out to members to collect additional details.
