### **PJM Interconnection Statement on the Death of FERC Chairman Kevin J. McIntyre**

(Valley Forge, Pa. – Jan. 3, 2019) PJM extends our deepest condolences to FERC Chairman Kevin J. McIntyre's family on his passing. We know this is a difficult time and we extend our thoughts and prayers. In addition, we are thinking of his colleagues at FERC and know that they will always appreciate and remember his devotion, professionalism, diplomacy and support for the important role of the Commission.

*[PJM Interconnection](#), founded in 1927, ensures the reliability of the high-voltage electric power system serving 65 million people in all or parts of Delaware, Illinois, Indiana, Kentucky, Maryland, Michigan, New Jersey, North Carolina, Ohio, Pennsylvania, Tennessee, Virginia, West Virginia and the District of Columbia. PJM coordinates and directs the operation of the region's transmission grid, which includes over 84,042 miles of transmission lines; administers a competitive wholesale electricity market; and plans regional transmission expansion improvements to maintain grid reliability and relieve congestion. PJM's regional grid and market operations produce annual savings of \$2.8 billion to \$3.1 billion.
