#### Issue Status

The Harmonizing Provisions of Governing Documents Problem Statement was brought forward by PJM, first read at the 11.20.14 MRC, and approved with its issue charge at the 12.18.14 MRC. It is expected that based off of the group's work, a small number of changes will take place to the definitions in the OA, RAA, and Tariff.

#### Target Completion

December, 2015

#### Progress Update

The THSTF first met on February 27 and reviewed its founding problem statement, issue charge, draft charter, and work plan. PJM attorneys Steven Shparber and Michelle Harhai presented draft changes to the definitions for Indemnification, Limitation of Liability, and Alternative Dispute Resolution.

The second meeting of the THSTF was on March 19, and focused on review of changes based on stakeholder feedback to the definitions for Indemnification, Limitation of Liability, and Alternative Dispute Resolution.

The next meeting is scheduled for April 15, and a vote on the definitions for Indemnification, Limitation of Liability, and Alternative Dispute Resolution will occur via Survey Monkey, following the meeting.

#### Action Requested (if necessary)

The THSTF Charter is up for a first read at the 3.26.15 MRC meeting.
