## 1. Phase 3 Meetings

### a. June 7, 2019 and July 1, 2019

For the first two Phase 3 meetings, the MEPETF focused on revising the current charter, so the task force could work on the issues brought forth by the IMM. Education was provided to help ensure all task force members had a basic understanding of the Market Efficiency process, and the issues that would be addressed. A work plan was created to help map the necessary work and timeline.

### b. July 30, 2019

The MEPETF continued providing education to the group. The task force created draft poll questions focusing on the potential design components for a new internal Targeted Market Efficiency Project process.

The non-binding poll will open from Monday, 8/12/19, until Friday, 8/16/19. The results will be presented at the August 26, 2019 MEPETF meeting.
