1/25/2021

1. [ARR/FTR Market Review](#)

Issue Status

The ARR FTR Market Task Force (AFMTF) has wrapped up the education and analysis phase.

Target Completion

The AFMTF is expected to complete by end of 2021.

Progress Update

The AFMTF has held eight meetings to date. As per stakeholder feedback and consensus, the Task Force had gone into a hiatus after July 22, 2020 meeting, to allow an independent consultant to complete a holistic ARR/FTR market review. At the most recent meeting on December 22, 2020, consultants from London Economics International LLC (LEI) presented an overview of their report. The next Task Force meeting on January 26, 2021 will be a Q&A session where LEI consultants will respond to stakeholder questions as they relate to the report.
