Progress Update

February 7 meeting:

- Reviewed update of the Notice of Inquiry (Docket No. RM22-2200)
- Review additions to the interests in the matrix
- Review and continued documenting design components and status quo, completed a priority ranking, and begin brainstorming option packages.

Action requested (if necessary)

Stakeholders asked to review the Options Matrix and develop their company's packages for submission in advance of the March meeting. Participants should come prepared to discuss their proposals.
