# Appendix

## Contact Tracing at PJM

PJM will conduct contact tracing when we learn that anyone at a PJM meeting (PJM staff or stakeholder) later tests positive for COVID-19.

- If a stakeholder or a member of PJM staff tests positive, they should contact their HR Department to report it and that they were on-site at PJM within 48 hours of symptoms appearing or testing positive.
- The stakeholder company's HR representative should contact Maureen McCormick at [Maureen.mccormick@pjm.com](mailto:Maureen.mccormick@pjm.com) and provide the name and date of the on-site meeting, along with date of symptoms onset and/or positive test.

**Upon notification of the exposure, PJM will contact stakeholders and PJM staff who attended the meeting to alert them of the potential exposure.**
