Vitol Problem Statement – Spot-In Service

Chris Pacella
Lead Analyst, Transmission Services
Market Implementation Committee
April 12, 2017

Spot-In Earliest Request Time on all interfaces shifts from 09:00 EPT to 10:00 EPT

- Service available *after* NY DA results are known.
- Consistent start-time across all PJM seams.

PJM Regional Transmission and Energy Scheduling Practices

1.6 Transmission Service Submittals

Deadline Type	Time Period	SPOT_IN Reservations (see section 1.5.3)
Earliest Request <i>(amount of time prior to commencement of service)</i>	Hourly	9:00 <u>10:00</u> a.m., day before the date
