QUICK FIX ON MANUAL 11 LANGUAGE

PROBLEM / OPPORTUNITY STATEMENT

PJM identified three minor errors (one outdated reference in section 3.2.8, one outdated reference in section 4.3 and one missing term in NSRMCP in section 4.4.1) in Manual 11 during internal training. PJM seeks through the Quick Fix process to immediately correct the errors in the Manual.

PJM proposes the errors be corrected as soon as practical for the benefit of Market Participants.
