SUBJECT: MOPR-Ex Tariff Revisions

The MMU has posted to the Monitoring Analytics website two documents to track the proposed tariff revisions for the MOPR-Ex proposal.

1. The first document is named MOPR-Ex Main Motion and it includes tariff revisions that are consistent with the CCPPSTF proposal. The revisions in the document are represented as redline and purpleline changes:
 - a. Redline: changes posted for the December 7, 2017, MRC meeting
 - b. Purpleline: clarifying changes that are consistent with the CCPPSTF proposal
2. The second document is named MOPR-Ex Alternate Proposal. The document includes blue line changes in addition to the redline and purpleline changes:
 - a. Redline: changes posted for the December 7, 2017, MRC meeting
 - b. Purpleline: clarifying changes that are consistent with the CCPPSTF proposal
 - a. Blue line: updates to the RPS Exemption and an update to the title of Section 5.14 h)
