

**LS Power Amendment or Alternate Motion to PJM Proposed Tariff, Part VII, Subpart J, section 400,
Transitional System Capability Study**

Add the following paragraph –

To prevent hoarding or the potential for the exercise of market power by resources without a BRA must-offer obligation and also to ensure that the transmission system capability allocation will be used, any resource that submits a request to participate in the Transitional System Capability Study shall be required to utilize the CIRs acquired and submit an offer in the BRA for the Delivery Year for which the incremental CIR allocation was granted.
