- Stakeholders wishing to present at the November 21, 2024 Members Committee meeting will be asked to complete a form to request time on the agenda.
- Presentations will be limited to those topics included below:
 - Proposed capacity market adjustments and alignment of capacity market rules to effectuate the removal of reactive service revenues
 - Reliability Resource Initiative (RRI) and surplus interconnection process
- Presenter request forms will be sent to the MC, MRC, PC and MIC email lists and will be due by 5:00 p.m. EPT on November 12.

- Members and non-members are eligible to respond.
- PJM will review the forms received and determine timing for the November 21 MC meeting.
 - Best effort and balanced judgment will be used to accommodate presenter requests and fairly allocate speaking times.
 - Individual presentation timing will be determined based on the number of speaker requests received.
 - Due to time limitations, specific timing requests may not be guaranteed.
- Presenters will be informed of the amount of time they are allocated on November 13.
