

Attachment M-3 Update

Julia Spatafore
Transmission Planning
Planning Committee
March 5, 2024

- **Issue:** Request to add information on slides relating to other supplemental projects and baseline upgrades which may be in the electrical vicinity of the M-3 need being discussed (Item 40)
- **Resolution:**
 - PJM continues the development of mapping technologies including enhancements that highlights location of projects at submittal of solution. PJM is reviewing this functionality and continue to work through the current process to have the maps created.
