

New 500 kV Line Designations

PJM Transmission Operations
April 30, 2024

- New 500 kV Transmission Lines
 - Under RTEP b3780 and b3800 projects
 - Expected to be in service in 2027/2028 and beyond
- Each 500 kV line will be assigned a number
 - Specified in PJM Manual-03
 - Purpose is to coordinate inter-zonal line number designations
