

# Dominion Energy

PJM Southern Sub-Regional RTEP Meeting

Update to the Dominion Energy Local Planning Assumptions previously discussed at the December 2018 Sub-Regional RTEP Meeting

# Appendix Update: Additional transmission lines expected to be evaluated using End of Life criteria in 2019 RTEP cycle

Line A	Line B	Line Section	Line A kV	Line B kV	Line A Year	Line B Year
72		Brown Boveri – Str 242 Only	115		1956	
293		Staunton – Valley	230		1971	
1001		Battleboro – Chestnut	115		1959	
1024		Chestnut – South Justice	115		1959	

August 2019 Sub-Regional RTEP Meeting

Note: This list represents additional lines to be evaluated under Dominion's End of Life criteria during the 2019 planning cycle. The evaluation could lead to some of these facilities being delayed, cancelled or removed from consideration as well as other facilities added.
