# Product Details

Account Manager is used to create accounts and request and grant access to PJM's tools and website.

**Key Product Features**

- Grants access to PJM Tools

- Member CAM's can determine and regulate access for their respective companies

Bulletin Board facilitates power contracting activity.

**Key Product Features**

- Provides users with access to a larger pool of buyers and sellers of contracts for electric power

- Allows users to view, post and modify requests to buy or offers to sell power

Data Viewer allows users to view operational and market data graphically.

**Key Product Features**

- Display real-time LMPs, IT SCED forecasted LMPs, Dispatch Rate, etc.
- Customizable data plots and graphs

[eDataFeed](#) is a web service that allows subscribers to select and "stream" PJM locational marginal price data, as well as some operational data directly into their system. eDataFeed delivers information in a format called Simple Object Access Protocol (SOAP) that enables data capture, analysis and decision support to meet the trading, risk management and business decisions of PJM's members (customers).

**Key Product Features**

- Allows for automated data retrieval

Messages provides updates and important messages regarding PJM tools.

**Key Product Features**

- Used by members to view updates and important messages regarding PJM tools

Resource Tracker provides generation owners a single view of generator ownership information as recorded across various PJM applications.

**Key Product Features**

- Single point mechanism for generator ownership information
    – Ownership changes
    – Energy, Capacity and Ancillary Service Ownership
    – Marketing Company
    – Dispatching Company
- Annual confirmation period

Voting facilitates voting at the Markets and Reliability Committee and Members Committee meetings.

**Key Product Features**

- Facilitates voting at the Markets and Reliability Committee and Members Committee meetings

- Vote tallying and reporting

- Tool also allows both on-site and remote meeting attendees to cast votes for agenda items presented to the membership for voting
