What is changing?

- Managing user accounts with Account Manager
- Authentication with PJM's Single Sign On
- eGADS will be updated to a new browser-based version with some changes to functionality and usability

Users must do one of the following

- Identify an existing Account Manager account they will use with eGADS
- Create a new Account Manager account

Additional Information

- PJM reach out to eGADS CAMs

- There will be a hard switchover date from the current eGADS login accounts to Account Manager accounts.

  - This is set for December 4, 2023

- CAMs will be responsible for granting access.

- New eGADS users will still need to complete the current eGADS registration form on PJM.com.

- PJM Client Managers will be able to assist with account questions

- FAQs now available on PJM.

    – https://pjm.com/markets-and-operations/etools/egads/egads-release-notes

- Current users will need to send PJM their Account Manager login name and their current eGADS login name by October 11, 2023.

Draft registration process for new users:

1. You must submit the eGADS User Registration Form.

2. To gain access to eGADs through Account Manager, you must set up or have an existing user account. The link to register for a user account can be found on the Account Manager page on PJM.com.

3. Once the user account is set up, you can request access to eGADS by selecting eGADS read only or eGADS read/write.

4. Your company CAM can approve your access request.
