March 27, 2024

Communication will be sent out for each milestone.

eDART Account Migration to Account Manager Project

- User Migration consultation period deadline: **03/13/2024**.

- Ongoing outreach to companies with eDART legacy users.

  – Must complete the past-due migration or face potential breach.

  – Legacy eDART account access to be revoked **03/27/2024**.

- Contact eDARTAccountRequests@pjm.com with questions or to confirm compliance.

Key Messages

- All account requests for eDART accounts **must be** addressed in [Account Manager](#).

- CAMs can leverage the eDART User Access Revoke Request [Form](#) to identify user accounts that *will not* be migrating to Account Manager.

- The Migration to Account Manager [Guide](#) offers guidance and assistance for completing migration

Migrated users…

- Can only log into eDART via PJM Tools

    – Train: https://edartssotrain.pjm.com

    – Prod: https://edartsso.pjm.com

- Can use Single Sign On to log into eDART

- Will require PKI certificate for browserless interaction with eDART (if the user/system account does not already have one)

- Should contact their company CAMs for password resets and unlocking accounts

Revisions to the *pro forma* Open Access Transmission Tariff (OATT) and the Commission's regulations under the Federal Power Act to improve accuracy and transparency of electric transmission line ratings.

- Impacts eDART TERM Application and pjm.com OASIS thermal ratings reports

- eDART Project underway

- Compliance due July 2025
