Networks Roadmap

As of July 8, 2024

- External Wildcard Certificate Reminder

- Upcoming Network Maintenance

- PJM has confirmed no impact to PJM Command Line Interface.

- This certificate replacement is being planned for 4th Quarter 2024.

- PJM is providing working sessions to assist the certificate replacements and answer what questions remain. The first two dates are Sep 26 and Oct 23, from 1:00 - 3:00 p.m. EST.

- Registration links
  - Please register for the workshops
    - https://www.pjm.com/committees-and-groups/meeting-center.aspx
- The Intermediate/root certificates are available now. Please work with your IT or application team to work to have it append to the existing certificates in the SSL Trust store
  - Root:
    - https://www.digicert.com/kb/digicert-root-certificates.htm#roots
  - Intermediate:
    - https://www.digicert.com/kb/digicert-root-certificates.htm#intermediates

Product - Action Required	Deadline	Who May Be Affected
Network Infrastructure Upgrade	**July 8** **6 p.m. – 10 p.m.**	PJM Tool Users
