Clarifications to Existing Rules

Elaborate on Existing Rules

Not Proposing Changes to Existing Rules

Clarifications

- Consistency between Operating Agreement, Schedule 2 and Manual 15
- Penalty: Self Report designation criteria (i.e. Market Seller versus Agent)
- Penalty: Clarify that penalty for same reason with gaps in dates will use date range of first occurrence to last occurrence

Elaborate

- Market Seller clarification regarding price estimation for gas over weekends/holidays (i.e. weekend strip versus GD1/GD2)
- Offer update requirements for generators opted-in to intraday offers (i.e. min of one trigger required versus all triggers documented)
- Periodic Review: PJM/IMM review timeline
