COST DEVELOPMENT SUBCOMMITTEE

Dear Subcommittee Members:

RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP

The new rate for costing station service electrical requirements during unit start-up has been changed from \$30.57/MWh to **\$31.79/MWh**. Please use this rate in all unit start cost calculations during the **First Quarter of 2019**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from December 2017 through November 2018.

Sincerely,
Jennifer Warner-Freeman
