**COST DEVELOPMENT SUBCOMMITTEE**

Dear Subcommittee Members:

**RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP**

The new rate for costing station service electrical requirements during unit start-up has been changed from \$24.79/MWh to **\$23.25/MWh**. Please use this rate in all unit start cost calculations during the **First Quarter of 2020**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from December 2018 through November 2019.

Sincerely,  
Jennifer Warner-Freeman
