

# DR Hub Update

Andrea Yeaton  
Demand Response Subcommittee  
June 19, 2019

- Training environment data refresh July 10th
  - All data in current Train database will be deleted and refreshed with Production data
- Next DR Hub Release
  - Training environment in July for PRD (Price Responsive Demand)
    - Only impacts CSPs that have a PRD commitment in 2020/2021
