(9:15 – 9:30) Consolidation of DRS & DIRS

PRESENTATION

2. Pete Langbein discussed the initial planning and thoughts behind consolidating the DRS and DIRS into one subcommittee. Some members expressed concerns with the timing of the consolidation and suggested any changes wait until after FERC provides an Order on 2222. Pete explained that conforming 2222 Manual changes and associated implementation was already planned to take place in the DRS and that we can schedule full days to ensure there is plenty of time to discuss all topics in one venue,

(9:30 – 9:40) Critical Natural Gas Infrastructure Governing Documents and Manual changes

3. Jack O'Neill briefed on upcoming changes to the Critical Natural Gas Infrastructure Documents and PJM Manuals that have since been **first read** at the September MIC. Please see MIC for red lined documents.

(9:40 – 10:10) Review PJM draft protocol for Home Area Network (HAN) devices

PRESENTATION

4. Jim McAnany discussed the draft protocol for use of HAN devices where KYZ pulse information is not available, as well as the device requirements needed for PJM to approve.

(10:10 – 10:30) On-site Generator cost used for Economic DR energy settlements

PRESENTATION

5. Pete Langbein discussed details regarding marginal cost (M-15 guidelines) used to evaluate Economic DR energy settlements. Details included how to determine the incremental output for On-Site Generator, and guidelines for determining on-site generator costs.

(10:30 – 10:40) BREAK

(10:40 – 12:00) Education for Problem Statement to explore alternative FSL capacity compliance M&V for weather sensitive load for DR/PRD

Part A Part B

6. Education regarding the approved problem statement/issue charge on capacity compliance calculations for weather sensitive load.

- A) David Bloom provided background information on the problem statement and issue charge
- B) Pete Langbein detailed prior stakeholder efforts and current capacity compliance M&V protocol.

Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in WebEx:

When logging into the WebEx desktop client, please enter your real first and last name as well as a valid email address. Be sure to select the "call me" option. PJM support staff continuously monitors WebEx connections during stakeholder meetings. Anonymous users or those using false usernames or emails will be dropped from the teleconference.
