Administration (9:00-9:05)

1. **Welcome**

Ms. Maureen Curley, PJM, reviewed announcements, anti-trust, Code of Conduct guidelines and attendance.

2. **Approval of meeting minutes from October 2018**

The November 2018 meeting minutes were accepted without any corrections or deletions.

3. **Request for any additional agenda items**

Monthly Items & Training Updates (9:05-9:45)

4. **Compliance Update (9:05 – 9:10)**

PJM provided an update on member compliance with PJM Training and Certification requirements, per Manual 40.

Transmission

All compliant with Training/Certification requirements

Generation

Training – 3 companies non-compliant

Certification – 2 companies non-compliant

Small Generation

Training – all companies compliant

CSP

Training – 5 companies non-compliant

5. **PCLLRW Behind the Meter Generation Implementation (9:10 – 9:20)**

Doug Guignet, PJM, provided an update on the PCLLRW Behind the Meter Generation (BtMG) Implementation. In an effort to better model BtMG resources for improved Operational control, PJM has upgraded the PCLLRW tool. The PCLLRW dfiles now include BtMG/solar resources posted where available. The data is historical information reported to PJM, not real-time output values. This information can be used to potentially mitigate operational issues. For more information on this update,

please refer to the presentation posted with the December 2018 meeting materials:
<https://www.pjm.com/committees-and-groups/subcommittees/dts.aspx>

6. PJM Manual 40 Updates (9:20 – 9:30)

Joe Carl, PJM, reviewed updates to PJM Manual 40 based on the annual review of the manual. Updates related to PJM Manual 40, Sections 1-3 include the following:

- Updated PJM links from http: to https: to reflect PJM’s website security update
- Removed dates and wording from legacy requirements that have expired

The updates will continue to be communicated through the normal Stakeholder process. For more information, please review the summary of changes document and the redline version of PJM Manual 40 posted with the [meeting materials for December](#).

Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in WebEx:
