

2023 GridEx VII October DTS Update

Ed Figuli, Sr. Operator Trainer

PJM & Members

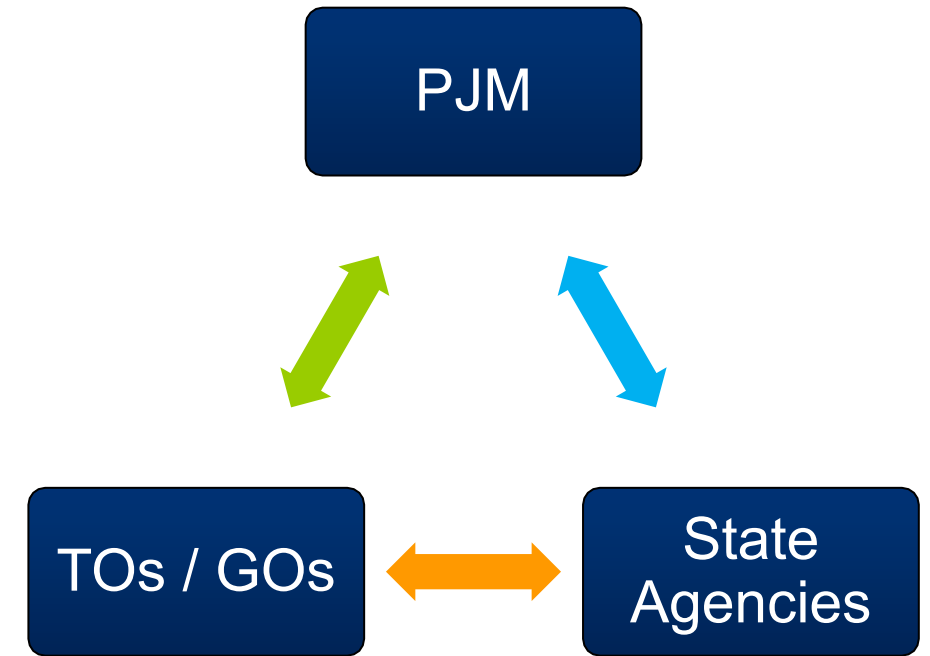

- PJM & Members will communicate throughout the drill as would happen in a real event:
 - Dedicated operator to operator communications
 - All Call messaging
 - SOS briefing calls
 - Communicate with other areas (Corp. Comm., etc.) as agreed upon during the planning process

PJM & State Agencies

- PJM State & Government Policy (SGP) will communicate with State Agencies throughout the drill as would happen in a real event:
 - Notify State Agency of high-level impacts, anticipated actions, and on-going actions
 - Utilize an exercise All Call roster of participants
 - Activate the states bridge line and initiate a briefing call

State Agencies & Members

- Communicate with Utilities as agreed upon during the planning process with “player” organizations only

The screenshot displays the SimulationDeck GridEx 2023 web application. At the top, a warning banner reads "Exercise Only: Confidential and Restricted to Registered Participants". The user is logged in as Brad.Harris. The main content area is titled "GridEx" and features a large orange banner for "GridEx 2023" with the text "EXERCISE ADMINISTRATIVE ANNOUNCEMENTS" and "Welcome to GridEx VII". Below the banner, a message states: "There are training videos and guides for all exercise participants located in the 'Training' application. Click the link in the sidebar." The left sidebar contains navigation links for Exercise, Administrative Announcements, Exercise Times Daily, SimDeck TV News, Agency News, BleatDeck, Training, and Exercise Forms. The right sidebar shows a "Search Social Feed" section with three posts from users DaneGreen, IkeMartin, and IkeMartin.
