Billing Details
Reports
Download List (0)

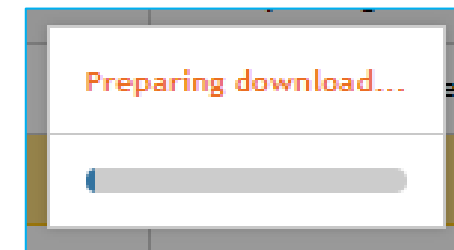

Start Date *
End Date *

View By * Energy Transaction Details

Add to Custom Category
Manage Custom Categories

	Start Date	End Date	Category	Name
<input type="checkbox"/>	<input type="text" value="5/1/21"/>	<input type="text" value="5/12/21"/>	<input type="text" value="Energy Transaction Details"/>	<input type="text" value="DA Daily Energy Transactions"/>
<input type="checkbox"/>	<input type="text" value="5/1/21"/>	<input type="text" value="5/12/21"/>	<input type="text" value="Energy Transaction Details"/>	<input type="text" value="DA Transmission Service Usage"/>

- Reports tab (continued)
 - Category field updated to reflect primary category report is associated with instead of displaying “All Reports” when selecting All Reports category.
- Download List Tab
 - Download List table updated to allow users to extend the amount of reports without distorting table formatting.
- Miscellaneous
 - Progress bar added to Billing Details, Reports, and Download List tabs to indicate when download is in progress.

- Application Stability updates
 - Reports Tab
 - Custom Categories limited to 15 categories per user.
 - Custom Categories can now store unlimited reports on each category.
 - Miscellaneous
 - Report download batching logic added to Billing Details, Reports, and Download List tabs. Limits downloads to a maximum of 25 downloads at the same time.

Warning You cannot download more than 25 reports at a time.

- Legacy MSRS retirement scheduled for Wednesday, July 14th, 2021.
- Backup date Wednesday, July 21st, 2021 if needed due to hot weather.
- Both Legacy MSRS UI and Legacy MSRS browserless using basic authentication will be retired.
 - All PJM Invoices and supporting MSRS reports will be available only from Refreshed MSRS once Legacy is retired.

- PJM still sees a large volume of activity in Legacy MSRS in both UI and browserless downloads.
- Comparing January 2021 to May 2021, Legacy MSRS UI report views and downloads decreased ~ 6%.
- Comparing January 2021 to May 2021, Legacy MSRS browserless downloads decreased ~ 3%.

- While in parallel operations, the MSRS UI will be accessible from the following locations:
 - **Refreshed MSRS**
 - Link on the MSRS Tools page under PJM tools tab on the Markets and Operations section of PJM.com (<https://www.pjm.com/-/media/etools/msrs/msrs-refresh-faq.ashx>)
- When Legacy MSRS is retired, Refreshed MSRS will be active from My Tools Home page.
