

DTS Update

Michael Hoke

Sr. Section Lead, State & Member Training

System Operations Subcommittee

June 2, 2022

- State and Member Training
 - Continues to hold virtual sessions and online training through July 2022
 - The 2022 Seminar has been completed - thank you for your participation in and support of this year's event
 - S&MT continues to increase the variety and amount of offerings, including expansion of online sessions
 - There are self-study simulation training opportunities, most of these items are limited to the simultaneous number of users that we can assign this out to
 - If you are interested please register for the course in the LMS and we will get you onto the waitlist as soon as possible
 - The draft training plan for 2022 can be found here: <https://www.pjm.com/-/media/training/2022-draft-training-plan.ashx>
 - We are looking for additional participants for the Exam Working Groups for the PJM Generation and Transmission Exam
 - Reach out early and often to State and Member Training to inquire about additional CEH hours for member operators
 - Reach out to TrainingSupport@pjm.com if interested in hosting your training through PJM's LMS
