

Changes to the ARR/FTR Review Task Force presentation

prepared for PJM Interconnection by London Economics International LLC

January 22, 2021

London Economics International LLC (“LEI”) made some minor edits to the presentation it gave to the ARR/FTR Task Force to correct typographical/grammatical errors, and also inadvertent mistakes. These changes are enumerated in the table below for ease of reference. None of these changes modify the substance of LEI’s findings.

Figure 1. List of changes made to the presentation

Slide Number	Change made
Slide 5	Edited second bullet point in the third box under the Approach column
Slide 6	Adjusted second bullet point in the first yellow box
Slide 9	Edited the title of the second box
Slide 10	Adjusted the second bullet point under the efficiency box
Slide 25	Added a note on why EKPC is not included in the graphic
Slide 33	Changed the labels of the graphics and put colors on the graphics for easy reference
Slide 41	Edited text on the second bullet point bullet point in the yellow box
Slide 44	Changed the word “ Second ” purpose to “ First ” purpose on the third major bullet point
Slide 54	Adjusted first bullet point
