The screenshot shows the PJM Voting Page interface. At the top, there are tabs for "Voting" and "Registration Details". A "Check for New Meetings" button is in the top right. Below the tabs, a message reads: "Select a committee and meeting date and then click Retrieve button. If an item is open for voting, it will appear below." There are two dropdown menus: "Committee:" with "RASTF" selected and "Meeting Date:" with "06/15/2022" selected. A "Retrieve" button is to the right. A red arrow labeled "1" points to this button. Below the dropdowns, a section titled "Agenda Item: 1" contains a "Question:" box with the text: "Do you endorse the narrow Market Seller Offer Cap (MSOC) package, which includes moving the package forward on the short-term timeline to implement for the 25 Base Residual Auction?". A red oval highlights this question box, and a red arrow labeled "2" points to it. Below the question, it says "1 of 2". A note reads: "* Select Yes, No, or Abstain on the table header to place the same vote for all companies." Below this is a table with columns: "Member Company", "Answer *", and "Vote Submission Status". The "Answer *" column has three buttons: "Yes", "No", and "Abstain". The table has three rows: "Transmission Owner" for "PJM DEMO Company 3", "Transmission Owner" for "PJM DEMO Company 4", and "Generation Owner" for "PJM Training, LLC". A red arrow labeled "3" points to the "Next" button at the bottom right of the page.
