

Available Flowgate Capability (AFC) on PJM Flowgates

PJM makes available the AFC's for PJM Flowgates. This file is located on the PJM OASIS website by clicking on the "ATC Information" link and finding the heading titled "AFC on PJM Flowgates Updated Every Business Day."

The file name is AFC.csv as is broken down into the following columns:

Column 1	<i>PERIOD</i>	"H" – Hourly "D" – Daily "M" – Monthly
Column 2	<i>PRODUCT</i>	"F" – Firm "N" – Non-Firm
Column 3	<i>START DATE</i>	(format "yyyymmdd")
Column 4	<i>(NEXT DAY AFTER) END DATE</i>	(format "yyyymmdd")
Column 5	<i>PJM FLOWGATE NAME</i>	
Multiple Columns	<i>String of values</i>	Flowgate Rating minus TRM minus CBM one for each period from Starting Date to period prior to Ending Date
Multiple Columns	<i>String of values</i>	AFC one for each period from Starting Date to period prior to Ending Date

The groups are separated by a timestamp row (format: yyyymmddhhmmss) when each was generated.

Note: PJM does not use the Hourly Firm product.
