

PJM Outage Acceleration Program
Outages Scheduled for March 2024

There are four outages scheduled to occur in March 2024 that exceed five days in duration and are projected to result in \$500,000 or more of FTR revenue inadequacy. The outages below are eligible for the PJM Outage Acceleration Program. Market participants have until the end of 1/22/2024 to submit a request for acceleration.
