**RE: City of Rochelle, Informational Filing of Formula Rate Annual Update
Docket No. ER15-1464-000 - Corrected Filing**

Dear Secretary Bose:

Attached is a corrected Formula Rate Template and FERC Form 1 Report for the City of Rochelle's Formula Rate Annual Update, which was filed on May 30, 2017 for informational purposes. The corrected documents reduce the revenue requirement to \$2,244,970, reflecting an adjustment of \$81,988 in 2016 plant retirements that were inadvertently omitted from the May 30th filing, thus resulting in the overstatement of transmission plant. These documents have also been transmitted to PJM for uploading to the website.

Thank you for your attention to this matter.

Respectfully submitted by,

Richard A. Heinemann
