

Approved Service Providers and Equipment Suppliers

Effective Date 04/16/2024

Purpose

This document provides a list of service providers and equipment suppliers that are currently approved by Dominion Energy for use by interconnection customers who have chosen to build transmission facilities as part of a planned interconnection project.

Substation & Transmission Line Engineering

Burns & McDonnell
Kiewit Corporation
MESA Associates
POWER Engineers, Inc

Substation Foundation

Aldridge Electric, Inc
Crofton Diving
CW Wright Construction Company, LLC
Hill Top Excavation & Construction Inc
Utility Lines Construction Services (ULCS)
W.F. Magann Corporation

Substation Site Preparation & Fencing

A.L.L. Construction, Inc
Bruce Howard Contracting, Inc
H&S Fencing and Landscaping
JR Caskey, Inc
MJ Price Construction
Unlimited Construction Services, Inc
USA Civil

Approved Service Providers and Equipment Suppliers

Effective Date 04/16/2024

Substation Service Providers

Cianbro Corporation
CW Wright Construction Company, LLC
Davis H Elliot Company
Energy Erectors Inc. (<i>MasTec</i>)
Great Southwestern Construction
Kiewit Corporation
Powergrid Services / Gridtech Power
Quanta Services
Richardson Wayland Electrical Company
Southeast Power Corporation
Sumter Utilities, Inc
Utility Lines Construction Services (ULCS)
Utili-Serve, LLC
Waff Contracting, Inc

Transmission Line Service Providers

Cianbro Corporation
CW Wright Construction Company, LLC
Davis H Elliot Company
Henkel's & McCoy, Inc
LE Myers Company, Inc
LineTec Services, LLC
Peak Utility Construction, Inc
Richardson Wayland Electrical Company
Sumter Utilities, Inc
Utility Lines Construction Services (ULCS)
Waff Contracting, Inc
Wilson Construction Company

Approved Service Providers and Equipment Suppliers

Effective Date 04/16/2024

Major Substation Equipment Suppliers

Equipment	kV	Approved Supplier
Transformers	500	SMIT Transformers Nijmegen, The Netherlands
		Mitsubishi Electric in Memphis, TN
Transformers	230	GE/Prolec in Apodaca, Mexico
		Fortune Electric in Taoyuan, Taiwan
		Hyosung in Changwon, Korea
Variable Shunt reactors, oil	230	Siemens in Nuremberg, Germany
		ABB in Ludvika, Sweden
Air reactors	All	Trench, Phoenix, Coil Innovations
Circuit breakers	500	Mitsubishi, Siemens
Circuit breakers	230	Mitsubishi 50kA, Siemens 63kA
Circuit breakers	115	Siemens, Mitsubishi, Alstom
GIS	All	Siemens, Mitsubishi
SVC / STATCOM	All	Siemens, Mitsubishi, ABB
Air switches	500	Southern States, Alstom (limited)
Air switches	230 / 115	Southern States, Pascor
Surge arresters	500	Ohio Brass
Surge arresters	230, 115	Ohio Brass, Cooper (porcelain only)
CCVT	All	Trench, Alstom
Insulators	All	NGK Locke, Lapp
Capacitors	All	Cooper, GE
High voltage CT's	All	Trench Relay, Alstom Metering
Wave traps	All	Trench
Protective relays	All	SEL

Approved Service Providers and Equipment Suppliers

Effective Date 04/16/2024

Major Transmission Line Equipment Suppliers

Equipment	Approved Supplier
Conductor & Shield Wire	Southwire
	General Cable
	AFL
Conductor & Shield Wire Hardware	Hubbell Power Systems
	Maclean Power Systems
	AFL
	Preformed Line Products
Toughened Glass Suspension Insulators	Sediver
	Hubbell Power Systems
Polymer Insulators	NGK-Locke
	Maclean Power Systems
Lattice Steel Tower Structures	SAE Towers
	Fabrimet Inc
	Locweld Inc
Welded Tubular Steel Pole Structures	Valmont Industries
	Sabre Industries
	Meyer Utility Structures
	TAPP, Inc
	Summit Utility Structures
Transmission Line Air Switches	Southern States
	SEECO
	Cleveland Price
Vacuum Bottle & SF ₆ Attachments	Southern States
	SEECO
