Reference: Proposed Revisions to Definition of On-Site Generators

Dear Mr. Lu:

On April 29, 2019, PJM Interconnection, L.L.C. (PJM) filed proposed revisions to the PJM Open Access Transmission Tariff (OATT) and the Amended and Restated Operating Agreement of PJM (OA) to consolidate and revise the definition of On-Site Generators.¹ You state that the proposed revisions clarify that generation resources located behind a load meter are not prohibited, in certain circumstances, from qualifying as both Generation Capacity Resources and as On-Site Generators.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2018), your submittal is accepted for filing, effective July 1, 2019, as requested.

The filing was noticed on April 29, 2019, with comments, interventions, and protests due on or before May 20, 2019. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2018)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions

are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Issued by: Kurt M. Longo, Director, Division of Electric Power Regulation – East
